scu - ra Lux ei - us spem at - tu - lit.

One dark night
the child of light came to us.
His light brought hope.
In his light is truth.
Shine your light in these dark days and illuminate us!

Nocte obscura
lucis infans ad nos pervenit.
Lux eius spem attulit.
In luce eius veritas.
Lucem tuam per has dies obscura emitte et nos illumina.
